March 31, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Kings Highway Treatment Plant Replacement, Maple Shade, Burlington County, New Jersey, 1st Congressional District. The entity to receive funding for this project is the Township of Maple Shade located at 200 Stiles Avenue, Maple Shade Township, New Jersey 08052. The funding would be used for Kings Highway Treatment Plant Replacement. The project is an appropriate use of taxpayer funds because it will ensure Maple Shade has sufficient firm capacity to provide safe potable water for its residents, as well as enough water reserves to provide fire protection in the event of an emergency while addressing water treatment for emergent contaminants. The project also improves the water system resiliency and will include enhance cyber security measures. The construction of an additional elevated water storage tank would also increase the safety and reliability of the township's water supply to the benefit of all residents. The additional capacity would allow the township to better deal with the diurnal water demand, reducing the requirements of outside water sources to meet peak demand.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
